These scholarships are awarded to international undergraduate students of merit who have demonstrated outstanding academic achievements and financial need. Scholarships are awarded for one academic year at a time and limited to four academic years (eight regular semesters) or the awarding of the bachelor's degree, whichever comes first. To be considered for an International Undergraduate Student Scholarship, the applicant must have a grade-point average of 3.0 or higher.

Scholarship applications are considered once the applicant has been granted admission to a degree program at The University of Mississippi, submitted a completed scholarship application, and the University has received official TOEFL, and SAT or ACT results. A complete scholarship application must have the following documents: completed application form, two letters of recommendation from people who can speak with knowledge of the applicant's academic qualifications, a letter from the applicant explaining the need for the scholarship, and an official transcript (mark sheet). The deadline for receiving a complete scholarship application for the fall semester is March 1 and for the spring semester is October 1.

SUBMITTING A SCHOLARSHIP APPLICATION IN NO WAY GUARANTEES A SCHOLARSHIP AWARD.

Send completed application to: The Office of International Programs, The University of Mississippi, P.O. Box 1848, University, MS 38677-1848 USA or send by fax to (662) 915-7486.
